

CloudHost247 Inc: Data Protection Standards

Effective Date: August 14, 2025

At **CloudHost247 Inc**, safeguarding the personal data of our customers, partners, and employees is a top priority. These Data Protection Standards outline the principles, measures, and responsibilities we follow to ensure compliance with applicable data protection laws, including the **General Data Protection Regulation (GDPR)**, the **California Consumer Privacy Act (CCPA)**, and other relevant regulations.

1. Purpose

The purpose of this policy is to:

- Protect personal data from unauthorized access, loss, alteration, or disclosure.
 - Ensure compliance with all applicable privacy and data protection regulations.
 - Maintain the trust of our customers, employees, and partners.
-

2. Scope

These standards apply to:

- All employees, contractors, and partners of **CloudHost247 Inc**.
 - All systems, processes, and technologies used to store, process, or transmit personal data.
 - All personal data collected through our websites, services, support channels, and business operations.
-

3. Data Protection Principles

We follow these core principles when handling personal data:

1. **Lawfulness, Fairness, and Transparency** Data is processed lawfully and transparently.
2. **Purpose Limitation** Data is collected for specific, legitimate purposes and not processed beyond those purposes.
3. **Data Minimization** Only the minimum necessary personal data is collected and retained.
4. **Accuracy** Personal data is kept accurate and up-to-date.

5. **Storage Limitation** Data is kept only as long as necessary for business or legal purposes.
 6. **Integrity and Confidentiality** Appropriate security measures are implemented to protect data.
 7. **Accountability** We maintain records and proof of compliance.
-

4. Data Collection and Use

- We collect personal data only for purposes related to the provision of our services, customer support, and legal compliance.
 - Data may include contact details, billing information, technical usage data, and support communications.
 - Sensitive data is collected only when strictly necessary and with explicit consent.
-

5. Data Security Measures

To protect data, **CloudHost247 Isc** implements:

- **Encryption** of data in transit (TLS/SSL) and at rest.
 - **Access controls** to limit data access to authorized personnel only.
 - **Multi-factor authentication (MFA)** for administrative accounts.
 - **Regular security audits and penetration testing.**
 - **Firewalls and intrusion detection/prevention systems (IDS/IPS).**
 - **Daily backups** stored in secure, encrypted locations.
-

6. Data Retention

- Personal data is retained only for as long as necessary for its intended purpose, in line with our **Privacy Policy** and legal requirements.
 - After retention periods expire, data is securely deleted or anonymized.
-

7. Data Sharing

- We only share personal data with trusted third-party service providers, and only when necessary to deliver our services.
- All third-party providers must comply with strict contractual data protection obligations.
- We do not sell personal data to third parties.

8. Rights of Data Subjects

Under applicable laws, individuals have the right to:

- Access their personal data.
- Request correction or deletion.
- Restrict or object to processing.
- Request data portability.
- Withdraw consent at any time (where applicable).

Requests can be made by contacting **privacy@cloudhost247.com**.

9. Incident Response

- All data breaches or suspected breaches are reported immediately to our Data Protection Officer (DPO).
 - We investigate and respond promptly; including notifying affected individuals and authorities when required by law.
-

10. Employee Responsibilities

- All employees handling personal data must follow these standards.
 - Employees receive **regular data protection and cyber security training**.
 - Access to personal data is restricted to those who need it to perform their duties.
-

11. Compliance and Monitoring

We review and update these standards regularly to ensure compliance with evolving regulations and industry best practices. Internal audits are conducted at least annually.
