

Domain Registration Addendum

DRA Appendix: TLD-Specific Terms & Conditions

This Addendum applies to domain name registrations made through **CloudHost247 Inc.** By registering any domain, the Registrant agrees to these terms in addition to the main Registration Agreement.

1. General Registration Requirements (All Domains)

The Registrant agrees to:

- Provide accurate, complete, and up-to-date registration data, including:
 - Full name (individual or organization)
 - Postal address
 - Email address
 - Phone number (and fax if available)
 - Technical, administrative, and billing contact details
 - Maintain accurate DNS records (nameservers)
 - Accept that registration data may be publicly available via WHOIS or equivalent systems
 - Consent to data processing and international data transfer where required
-

2. Domain Dispute Policy (Universal)

All domain registrations are subject to applicable dispute resolution policies, including but not limited to:

- ICANN Uniform Domain Name Dispute Resolution Policy (UDRP)
- Applicable registry-specific dispute policies (where required)

The Registrant agrees to submit to binding proceedings under these policies.

3. .COM / .NET / .ORG Domains

For .COM, .NET, and .ORG domains, the Registrant also agrees to:

- Provide full and accurate registration and contact information as required
 - Maintain technical and administrative domain control data
 - Be bound by the ICANN UDRP for dispute resolution
-

4. .BIZ Domains (Commercial Use Requirement)

Registrants of .BIZ domains agree that:

- The domain must be used for bona fide business or commercial purposes
- The domain must not be registered solely for resale, leasing, or trading
- The Registrant confirms:
 - The domain is related to a legitimate business purpose
 - The registration is not speculative or abusive

Disputes may be handled under ICANN policies and .BIZ-specific dispute frameworks (including STOP and RDRP where applicable).

5. .INFO Domains

For .INFO domains, the Registrant agrees to:

- ICANN UDRP dispute resolution
 - Registry-specific launch period policies (including Sunrise rules if applicable)
 - Acknowledge that the registry operator has no liability for allocation or dispute outcomes during launch periods
-

6. .NAME Domains (Personal Name Only)

Registrants must ensure:

- The domain represents a personal name (legal name or commonly known name)
- Registration is first-come, first-served unless overridden by dispute decisions
- Compliance with:

- Eligibility Requirements (ERDRP)
- UDRP policies
- Registry restrictions on name use

Additional .NAME Email Forward Rules:

- No spam, fraud, impersonation, or abusive activity
- No illegal content distribution or system intrusion attempts
- Registry may suspend or block forwarding in abuse cases

Defensive Registrations:

- Used for trademark protection only
 - Must meet eligibility proof requirements
 - Subject to challenge under ERDRP
-

7. Country Code & Special TLD Conditions

The following additional rules apply depending on the domain extension:

.US Domains

- Must meet US presence requirements (citizen, resident, or US entity)
- Subject to US laws and jurisdiction
- Prohibited from illegal or abusive use
- Registry may suspend or cancel domains for compliance or legal reasons

.IN Domains

- Must not violate Indian laws or public policy
- Subject to IN registry dispute policies

.EU Domains

- Registrant must be EU-based (individual or organization)
- Must comply with EU regulations (including EURid policies)
- Subject to EU dispute resolution rules

.UK Domains

- Managed under Nominet policies

- Subject to renewal grace periods and dispute resolution procedures

.CA Domains

- Must meet Canadian presence requirements
- Subject to CIRA policies and dispute resolution rules
- Registration may be suspended or transferred under policy enforcement

.DE / .ES Domains

- Governed by national registry rules (Germany / Spain)
- Subject to local courts and dispute policies

.CO Domains

- Governed by Colombian registry law
- Disputes handled under UDRP and Colombian jurisdiction

8. Generic gTLD Registry Rules (Applicable Where Relevant)

Some domains (e.g. .CLUB, .BUZZ, .LONDON, .ONLINE, .SITE, .STORE, etc.) may include:

- Registry right to suspend, delete, or transfer domains at discretion for:
 - Abuse prevention
 - Legal compliance
 - Payment issues
 - Security and stability protection
- Mandatory indemnification of registry and registrar against claims
- Compliance with Acceptable Use Policies (AUP)
- Anti-abuse rules (no phishing, malware, spam, or infringement)

9. Registry Authority Clause

CloudHost247 Isc and its registry partners reserve the right to:

- Correct registration errors
- Suspend or transfer domains in disputes

- Enforce ICANN and registry policies
 - Comply with legal or government orders
-

10. Acceptance

By registering a domain through **CloudHost247 Inc**, the Registrant:

- Confirms acceptance of all applicable registry rules
- Agrees to dispute resolution processes
- Accepts responsibility for accurate registration data
- Acknowledges that violation may result in suspension or loss of domain rights
